(Issued June 18, 2015)

The negotiated service agreement approved in this proceeding (Existing Agreement) is set to expire June 30, 2015.¹ The Postal Service filed a motion for temporary relief and notice of filing modification to the Existing Agreement extending the expiration date.² A modification to the Existing Agreement revising the expiration date as described above was submitted by the Postal Service as Attachment 1.

² Motion of the United States Postal Service for Temporary Relief and Notice of the United States Postal Service of Filing Modification to a Global Reseller Expedited Package Contracts 2 Negotiated Service Agreement, June 16, 2015 (Motion).

The Postal Service expects to initiate a new rate docket, in which the Postal Service would file the successor to the agreement that is the subject of this docket. The brief extension will maintain continuity of pricing and other terms and conditions of the agreement. Motion at 2. Attached to the Motion is Modification One which the customer and the Postal Service have executed. Modification One provides that the agreement that is the subject of this docket will expire on July 31, 2015, thereby replacing the earlier potential termination date. *Id.* at 1.

The Motion is granted. The Existing Agreement is modified to continue through, and will expire on July 31, 2015, unless terminated earlier pursuant to the terms of the agreement. Temporary relief and modification of the Existing Agreement is in the public interest and will not prejudice any person.

It is ordered:

1. The Motion of the United States Postal Service for Temporary Relief, filed June 16, 2015, is granted.
2. The Commission approves the existing Global Reseller Expedited Package Contracts 2 Negotiated Service Agreement, as modified.

By the Commission.
